On behalf of Michigan State University, Department of Pediatrics and Human Development and Wayne State University/Children’s Hospital of Michigan, Department of Pediatrics, we invite you to attend the 13th Annual Pediatric Research Day, “New Frontiers in Pediatrics”. Our Keynotes speakers will be Susan B. Shurin, MD from the National Heart, Lung, and Blood Institute; Paul B. McCray, MD from The University of Iowa, and Steven E. Lipshultz from Wayne State University, who will be joined by several trainees chosen to orally present their research. We look forward to seeing you there!
